

**With a partner, think of some simple sentences for a few of the pictures and then turn them into complex ones.**

**Think about the pictures in terms of what essay topic they might relate to, especially cause/effect or problem/solution situations.**

**Agriculture, having a business, manual labor, etc.**

**Natural disasters, building construction, emergency services, etc.**

**Parent-teen relationships, issues in teenage years, etc.**

**Agriculture, import/export of crops, animals/machines for work, etc.**

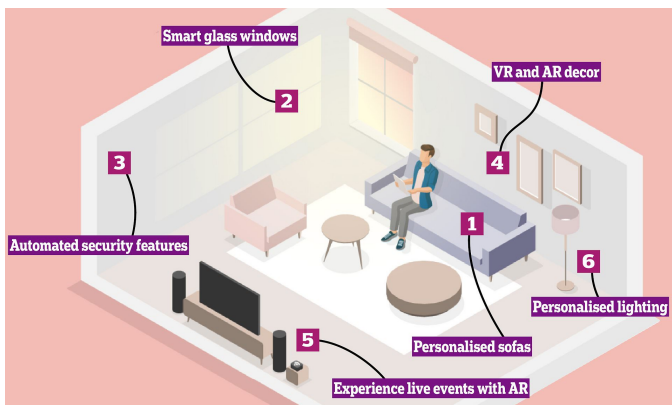

**War, military tactics, international relations, etc.**

**Vaccinations, Covid, public health, visiting the doctor, etc.**

**Drones, surveillance, engineering, technology, etc.**

**Smart design, interior architecture, smart homes, etc.**

**Apocalypse, zombie invasion, etc.**
